Author: David H. Fisher, Jr.

Release Date: Expected @@expectedReleaseDate@@

"FAT STATS The Guide To Weight Control" is for people who want to take control their weight. It is not just another diet book but one that guides the reader to learn to think like people think who control their weight so the reader will produce a similar result throughout their life. "FAT STATS The Guide To Weight Control" is an updated eBook version of his original book that has been used by health organizations, corporations, branches of the military, universities, public schools, police and fire departments and individuals. It is a no nonsense book that doesn't recommend pills, special diets or gimmicks. The reader learns to change their old thinking habits into new ones that will enable them to be successful in their weight. The process is easy, fun and up lifting. If you have tried all types of diets and weight loss programs and been unsuccessful this book can change your life. It provides everything you will need except a set of scales. There are no additional costs. You CAN TAKE CONTROL OF YOUR WEIGHT! The author, David H Fisher Jr, also wrote the eBook, "How To Think u0026amp; Lose Weight."
