A revolutionary book that validates sexual uniqueness instead of making it a source of shame. Are you sexually aroused by a specific object, act or behavior? Do you keep your thoughts a secret? Do you worry that your partner will find out and reject you? Do you feel ashamed, alone and embarrassed? I've got good news! You're not broken. You're not a freak, pervert or sexual deviant. You have a sexual fetish. This fetish can be embraced, controlled and managed. My name is Jackie A. Castro and I can help you. I am a licensed psychotherapist in the state of California. For over two decades, I have worked with clients who have agonized about having erotic interests "out of the norm". I have developed a ground breaking Five Point Fetish Plan that will provide winning tools for fetish management including ways to introduce your fetish to a long-term partner. Includes: Checklists, Exercises, Quizzes and Practical Solutions. "Fetish and You" will help you transition from shame and self-loathing to confidence and self-acceptance.
