MY JOURNEY THROUGH THE WEST AUTOBIOGRAPHY EBOOKS 2019

Author: Wael El-Manzalawy

Realese Date: Expected @@expectedReleaseDate@@

This ebook is about the influence of the Western Culture on an Egyptian writer. I was very interested in politics and news. And the result was that I felt that all the western peoples hate us. Although generalization is a very common mistake, I was the victim of this mistake: I listened to the news and I generalized my feelings: all the western peoples hate us and want to destroy our countries. Since 2003, I began using the Internet. I dealt with many western persons. And gradually my feelings changed. I invite you to read this book and to discover my journey through the Western World.
