If we really believe that God is all knowing, then everything we do has already happened in God's mind. My book teaches the power of predestination. The QUE SERA philosophy delivers a fresh and revolutionary perspective to the whole human condition. The past, our day to day lives, and into the future. After reading this book, you will think about it every day for the rest of your life. Not many books can make that claim. I touch on many areas of life which when seen through QUE SERA will provide comfort, calm, confidence and hope.
