QUICK THINKING EBOOKS 2019

Author: PwC Health Industries

Release Date: Expected @@expectedReleaseDate@@

Health reform is big and comprehensive, and it will affect nearly all parts of the health system. In this publication, PwC provides a condensed version of HRI reports, providing the industry with some "quick thinking"; about how health reform will change the business of healthcare. We explore four key findings around health IT, physician-hospital alignment, mobile health, and the health insurance exchanges.
