SCORSESE BY EBERT EBOOKS 2019

Author: Roger Ebert

Release Date: Lanzamiento previsto: @@expectedReleaseDate@@

Roger Ebert wrote the first film review that director Martin Scorsese ever received—for 1967's *Call First*, later renamed *Who's That Knocking at My Door*—creating a lasting bond that made him one of Scorsese's most appreciative and perceptive commentators. *Scorsese* by Ebert offers the first record of America's most respected film critic's engagement with the works of America's greatest living director, chronicling every single feature film in Scorsese's considerable oeuvre, from his aforementioned debut to his 2008 release, the Rolling Stones documentary *Shine a Light*. In the course of eleven interviews done over almost forty years, the book also includes Scorsese's own insights on both his accomplishments and disappointments. Ebert has also written and included six new reconsiderations of the director's less commented upon films, as well as a substantial introduction that provides a framework for understanding both Scorsese and his profound impact on American cinema. "Given their career-long back-and-forth, this collection makes perfect sense. . . . In these reconsiderations, Ebert invites us into his thought processes, letting us see not just what he thinks, but how he forms his opinions. Ebert's insights into Scorsese are terrific, but this book offers the bonus of further insights into Ebert himself."—*Time Out Chicago* "Ebert, film critic for the *Chicago Sun-Times*, is an unabashed fan of Scorsese, whom he considers 'the most gifted director of his generation.' . . . Of special note are interviews with Scorsese over a 25-year period, in which the director candidly discusses his body of work."—*Publishers Weekly*
