From the author of the New York Times #1 bestseller *The Untethered Soul* comes the astonishing true-life story about what happens when you just let go. A thriving spiritual community on over six hundred acres of pristine forest and meadows in Florida; A cutting-edge software package that transformed the medical practice management industry; A billion-dollar public company whose achievements are archived in the Smithsonian Institution; A book that became a New York Times bestseller and an Oprah favorite; A massive raid by the FBI that would lead to unfounded accusations by the U.S. government; How could all of this spring from a man who had decided to live alone in the middle of the woods, let go of himself, and embrace a life of solitude? Michael A. Singer, author of *The Untethered Soul*, tells the extraordinary story of what happened when, after a deep spiritual awakening, he decided to let go of his personal preferences and simply let life call the shots.
