Author: Alice Simon

Release Date: Expected @@expectedReleaseDate@@

Ever wonder what it takes to create a self-sustaining, successful urban garden? With all of the articles and digests covering this fascinating topic, it's easy to get lost in the mess. With Urban Gardening, you can flip through an organized guide of tips and ideas to help make your urban garden the flourishing, thriving system it has the potential to be. With a little research and determination, you don't need a green thumb to have a successful urban garden. Simple steps can help you achieve your goal of having your very own, productive vegetable garden in an inexpensive way. Let your creativity take hold and make the garden you've always imagined a reality. As an extension of your mind, your garden can take on any meaning that you want it to, producing vegetables of your choosing in the most productive way possible. By simply following the tips in this book, you'll be amazed at how fast your urban garden will grow and become a productive—not to mention enjoyable—part of your life. You'll also be able to share your knowledge with your gardening friends and make for an impressive conversationalist as you share the secrets of your success with others. In this book, you will learn more about aspects of urban gardening that you may have never thought about before, including: Space management and setup, DIY planters and other aspects, Protection of plants against urban elements, Maintenance and upkeep of your garden, Indoor gardening ideas and techniques, Tips and tricks for success
